**I affirm the ownership of the animal or acting on behalf the owner's consent. I affirm that all costs arising with the treatment contract will be paid in full immediately or, in case of inpatient care, when picking up the patient. In exceptional cases, payment can be made on account after making a deposit of 75%. This is decided on a case-by-case basis by the surgery's administration and must be clarified before using our service. I expressly agree to this approach.**

### General terms and conditions

- 1) The treatment and hospitalization of the presented animal takes place exclusively based on the admission form and the terms and conditions of *Die Kleintierärzte Düsseldorf*. The consignor is obligated to fill out the admission form completely and truthfully upon admission of the animal. If no information can be provided regarding individual points, this must be clearly indicated on the admission form.
- 2) The consignor assures that the patient owner agrees to the treatment of the animal and will bear the costs arising from the treatment. If the Consignor has not received authorization from the Patient Owner, the Consignor is liable for the costs incurred.
- 3) The expected costs for treatment and examinations of an animal can only be given as a rough estimate with a high fluctuation range before the treatment is completed. If necessary, estimated values given in advance by *Die Kleintierärzte Düsseldorf* are in no way to be understood as fixed prices, but only represent average costs, which may vary in individual cases, depending on the course of treatment.
- 4) *Die Kleintierärzte Düsseldorf* owes the careful and conscientious examination of the animal as well as the performance of the required therapy according to veterinary standards and the respective order. *Die Kleintierärzte Düsseldorf* does not guarantee the success of an operation or treatment. *Die Kleintierärzte Düsseldorf* has informed the patient's owner or the consignor representing the patient's owner about the type and manner of treatment and possible risks. In knowledge of these risks, the consent to the treatment has been given, so that claims for damages due to typical risks or complications are excluded.
- 5) No liability is assumed for damage or loss of the animal caused by accidents, infections or other circumstances.
